Partnership - CCAA**

On November 29, 2019, an Initial Order was granted by the Court of Queen's Bench of Alberta under the *Companies' Creditors Arrangement Act* ("**CCAA**"), R.S.C. 1985 c. C-36, as amended, in respect of Tlichio Landtran Transport Ltd., 1456998 Alberta Ltd., 1456982 Alberta Ltd. and Ventures West Transport Limited Partnership (collectively the "**Companies**"). Pursuant to the Initial Order, MNP Ltd. was appointed as Monitor of the Companies in the CCAA proceedings.

Based out of Sherwood Park, Alberta, the Companies operated a transportation services business that specialized in transportation across winter and ice roads with the bulk of their work being focused on supplying fuel, cement and other supplies to various diamond mines in the Northwest Territories.

The assets being offered for sale include all of the Companies' transportation equipment consisting of approximately 230 trucks, tanker trailers and mobile office trailers, shipping containers and miscellaneous shop equipment. Also included is a contract to supply cement to a diamond mine in the Northwest Territories.
