

Hamlet of Aklavik REQUEST FOR PROPOSALS

Engineering Services Design and Provide Project Management Services Solid Waste Site Redevelopment

The Hamlet of Aklavik has received funding under the invest in Canada Infrastructure Program to expand and Redevelop the Aklavik Solid Waste Site.

Will require prices for the design and then for the Project Management of this project.

Idea is to take the application information and develop the design along with a work schedule and a listing of quantities of materials required. This project must also have IWB prior approval before work can proceed.

All submissions must be received at the:

Hamlet of Aklavik
