OUTREACH INSTRUCTORS

Do you have experience working with Indigenous youth? Are you interested in science, technology, engineering, and math (STEM) education? Do you like to travel, learn from different people and places, and facilitate community engagement? Would you like to combine these interests to provide meaningful experiences for youth in rural, remote and Indigenous communities this summer? If your answers are “**yes**,” then Actua’s Outreach Team might be for you!

Actua, Canada’s leading STEM youth outreach organization, is looking for **Outreach Instructors** to assist its Outreach Team for the summer of 2020.

The deadline to submit applications is Sunday, January 26, 2020, 11:59 EST. See full job description, requirements, and how to apply here: actua.ca/employment
