

Yellowknife Motors

is looking to add a self-driven, energetic

PRODUCT SPECIALIST - AUTOMOTIVE SALES ASSOCIATE

to our growing team.

Join us in our brand new state-of-the-art dealership where you'll have a brand new office and supportive team to help you succeed. The position offers limitless potential and growth for your career; and an opportunity to earn high income and health and dental benefits.

Requirements:

- excellent communication and organizational skills
- ability to create and foster relationships with customers with professionalism and honesty
- good listening skills and the ability to ask appropriate questions to ensure the customer's needs are met
- enthusiastic – high energy
- outgoing with a friendly personality
- guest service-oriented
- required to have a Class 5 driver's licence

If you feel this is the right position for you, we'd love to hear from you!
