

# *Roger Clemens Heisler*

November 27, 1957 – September 30, 2021

Roger passed after a brief illness with his wife and daughters by his side.

He was an accomplished heavy equipment operator and during the 1970's and '80's hauled supplies and oversized loads into remote camps before and after they became mines. He helped build and maintain the roads and highways around Yellowknife. He was involved in many water and sewer infrastructure jobs in the City and most recently delivered cement and gravel to the projects around town.

Roger loved his time at the cabin with his wife, the Sunday face times with the grandkids over the computer, and the weekly phone calls with his kids. Roger liked to travel, Mexico being his favourite place.

He will be sadly missed by his wife of 21 years BJ Tees-Heisler; his children Chey (Trevis) Stewart, Randi (Brad) Hunt, Kim (Nick) Heisler, Mike Heisler, Jason Robertson, Jack Robertson, Lana Robertson; and eight grandchildren; his mom Etta; his four siblings and many nieces and nephews.

Cremation has taken place and a Celebration of Life for Roger will take place at the cabin at a later date.
